Dear Bob

PRISONERS IN AMC WITH AUSTISM SPECTRUM DISORDER

Thank you for sending me a copy of your email to Minister Rattenbury referencing Emily Baker's article "*ACT government unsure how many prisoners have disability*", in the Canberra Times on 3 June.

This issue is not one that I have been asked to consider before but it is certainly one that the Minister for Corrections should be aware and informed about.

I would be interested to learn if the Minister provides an answer to you. Otherwise I would be happy to raise the issue during the Estimates hearings that are starting next Monday June 18.

Yours faithfully
